### Every Month

#### **Open House @ The Center**

Join us on the second Wednesday of every month from 12-1 p.m. at the Center! If you are a parent, physician or educator, or just want to learn more about us, this is a great opportunity to tour our Midtown Manhattan facility and learn about all New York Center for Living has to offer. Guests can learn about addiction, how to recognize addiction-related behaviors in teens and adolescents and what they can do to spread the word in their community.
